### ***Malabon City Holds Successful Job Fair 2025 at Robinsons Town Mall Malabon***

**Malabon City, August 01, 2025**— The Malabon Job Fair 2025 was successfully held at **Robinsons Town Mall Malabon**, drawing hundreds of jobseekers and providing significant employment opportunities for residents.

Spearheaded by the local government of Malabon City, the event aimed to **increase the employment rate** in the city by connecting jobseekers with reputable companies and government agencies. A total of 5,000 job vacancies were offered during the

event, made possible through partnerships with 37 private companies and national government agencies.

The **Philippine Statistics Authority - National Capital Region Provincial Office IV (CAMANAVA)**, which provided on-site services to support jobseekers' identification needs. As a result:

- 13 applicants were registered
- 8 National IDs in paper form (ePhilID) were issued
- 10 applicants generated their Digital National ID

These services significantly helped jobseekers comply with documentation requirements, facilitating smoother job applications.

"We are committed to empowering our citizens by giving them access to meaningful employment and necessary government services," said **Mayor Jeannie Sandoval** emphasizing the city's ongoing efforts to reduce unemployment and promote workforce development.

The Malabon Job Fair 2025 is part of the city's broader employment and livelihood strategy to build a resilient, job-ready community.
