The Philippine Statistics Authority (PSA) through NCR-Provincial Statistical Office (PSO) II, launched *Rehistro Bulilit* on 27 August 2024 at Barangay Socorro Hall in Quezon City.

The *Rehistro Bulilit* is a campaign aimed to register children aged 1 to 4 years old for the National ID. PSA Undersecretary Claire Dennis S. Mapa, said the initiative has two objectives: (a) to register more Filipino children and (b) to ensure continue mass registration at the community-level ensuring that every Filipino will be eventually registered in the National ID system.

*“The registration of children ages 1-4 years old in the National ID is part our commitment in making the National ID inclusive. We will continue to create venues for National ID registration such as Rehistro Bulilit through the support of local government units and other stakeholders. Anuman ang edad ay sama-sama tayo sa Makabagong Pilipinas,”* he said.

Upon the age of 5, biometric information will be captured including updated front-facing photograph, iris scan, and fingerprints.

To make children feel comfortable during registration, *Rehistro Bulilit* featured colorful balloons, tokens, and fun video clips for the kids. Throughout the registration period, a total of 52 children aged 1 to 4 were successfully registered and 1 child received his printed paper-based electronic PhilID (ePhilID) and assisted in checking the availability of Digital National ID on ([national-id.gov.ph](http://national-id.gov.ph)).
