14 MARCH 2025 – QUEZON CITY, PHILIPPINES. As part of our ongoing commitment to improve the accessibility of National ID registration, the Philippine Statistics Authority-National Capital Region Provincial Statistical Office II (PSA NCR PSO II) conducted an on-site registration at People's Credit Finance Company Inc. (PCFCI).

This initiative was a direct response to PCFCI's request to assist their employees who face difficulties in visiting registration centers due to work schedules and personal commitments.

Through these strategic partnerships, PSA NCR PSO II is dedicated to ensuring that all Filipinos, especially those with limited access to registration centers can obtain their National ID which is a vital instrument for promoting financial inclusion, social protection, and streamlined government transactions.

PSA NCR PSO II is committed to broadening access to National ID registration by bringing services directly to the local communities. This collaborative effort will significantly contribute to the establishment of a unified identification system.

Please contact PSA NCR PSO II through our official channels on facilitating institutional registration for your organization.
