

PRESS RELEASE

Release of NCR's 2023 Sustainable Development Goal (SDG) Watch

Date of Release: 08 August 2025

Reference No. 2025-PR-13-11

The Philippine Statistics Authority (PSA) releases the 2023 Sustainable Development Goal (SDG) Watch for the National Capital Region (NCR), based on data submitted as of 8 November 2023.

The SDG Watch is a platform that provides the official SDG indicators from its baseline, latest data, and the 2030 target data for each indicator. The platform also tracks regional progress, indicates responsible agencies, classifies data readiness, and reports on trends and pace of achievement. It serves as the trusted national lens on how the Philippines and its regions are progressing toward the 2030 Agenda.

Based on the refined list of the Philippine SDG Indicators, NCR has 11 out of 17 goals, which translates to 38 indicators or 24 targets for 2023.

For more details, visit RSSO-NCR's SDG website at: <https://rssoncr.psa.gov.ph/sdg>.
