The activity was held in a hybrid setting, where those who were not able to physically attend the awarding ceremony, specifically those who had classes in the afternoon, were provided a zoom link where they would be able to be virtually recognized.

Talented students showcased their artistic capabilities in the morning as the Poster Making Contest was the first event for the day. The sixteen (16) participants decorated their blank canvass of their interpretation to the theme of the 33rd CRM.

In the afternoon, the inner Shakespeare of the students participating in the Spoken Poetry Contest was challenged. The audience were in awe as the storytelling and expressions of the nine (9) participants concluded. The skills of the participants in the contest were far beyond their age.

The judges appreciated the creativity of all the participants, however, there were still those who stood out above the rest. Among them, Ms. Kaye L. Calamba from Taguig National High School was the victor for the Poster Making Contest while Ms. Rean Vience S. Elvambuena from Nemesio I.
