Date of Release: 15 July 2025

Reference No. 2025-014

*Mr. Joel C. Pertez discusses with the CBMS Coordinating Board, headed by Hon. Vico Sotto, the need for City Statistician who will handle the CBMS data after the data turnover.*

**15 JULY 2025 – CITY OF PASIG.** The Philippine Statistics Authority – NCR PSO III successfully convened today with the City of Pasig's Census CBMS Coordinating Board for the second quarter of 2025.

The convening was attended by representatives from the Departments and Offices of the City Government of Pasig. Mr. Joel C. Pertez, Senior Statistical Specialist and 2024 POPCEN-CBMS Focal Person, updated the attendees with the status of CBMS operations from enumeration to

data processing. He also outlined the specific requirements necessary for the successful turnover of the CBMS data.

Atty. Bernice Mendoza of the Office of the City Mayor mentioned that they are looking forward to the disaggregated data on a barangay-level as these will help them in their policy making.

Ms. Cherrel D. Arnez, CBMS Alternate Provincial Focal Person, thanked the City Government of Pasig and commended Pasig Public Employment Service Office (PESO) for welcoming PSA NCR PSO III during job hiring activities that helped augment the POPCEN-CBMS manpower during its operations.

A handwritten signature in dark ink, appearing to be 'Cherrel D. Arnez', located to the right of the text '- PSA NCR PSO III'.
