09 May 2024 - Makati City: We are pleased to announce the successful door-to-door delivery of the National ID to Mrs. Maria Del Rosario Vellguth Aboitiz, esteemed spouse of the former President of Aboitiz & Company Inc. (ACO), Ramon Aboitiz. The delivery was facilitated in her residence.

The National ID initiative represents a significant step forward in streamlining administrative processes while ensuring the integrity and security of personal data. By implementing door-to-door delivery services, the government aims to alleviate logistical challenges and enhance convenience for citizens.

Amid concerns surrounding scams and fraudulent activities, Mrs. Aboitiz understandably sought clarification regarding the legitimacy of the door-to-door delivery. It was diligently explained to her that this service is integral to the official National ID issuance process, designed to uphold security standards while prioritizing citizen convenience.

The door-to-door delivery of National IDs adheres to stringent security protocols to mitigate risks associated with fraudulent activities. Each delivery undergoes meticulous verification procedures, ensuring the integrity of the National ID issuance process.
