21 May 2024 - TAGUIG CITY: Renowned journalist and television personality Miss Pia Hontiveros, along with her children, visited Uptown Mall yesterday, 20 May 2024, to complete their registration in PhilSys. Known for her professionalism and grace, Miss Hontiveros chose one of our Registration Centers in Taguig because of its reputation for offering a fast and efficient registration process in a serene environment.

Miss Hontiveros and her children displayed admirable patience and humility at the registration site. Their courteous demeanor and high satisfaction were noted by onlookers, further highlighting the family's grounded nature despite their prominent status.

She expressed her support for the government's registration initiative, emphasizing its importance and efficiency. She planned to return to Uptown Mall soon to register her youngest child, who was unable to join them today due to school commitments.

In a heartfelt moment, Miss Hontiveros also requested a photo with the Philippine Statistics Authority (PSA) registration team to commemorate the experience. The team was delighted to oblige, capturing a moment that reflected the successful and smooth operation of the registration process at Uptown Mall.
