

PRESS RELEASE

PSA NCR PSO I Collaborates with Vice Mayor Yul Servo to Enhance PhilSys Services Delivery

Date of Release: 29 May 2024
Reference No. 2024-009

PhilSys booth catering registrants during the medical mission activity.

29 May 2024 – Manila, Philippines. The Office of the Philippine Statistics Authority National Capital Region Provincial Statistical Office I (PSA NCR PSO I) proudly continues its fruitful collaboration with the office of Vice Mayor Yul Servo in delivering PhilSys services to the residents of Manila.

In a concerted effort to make PhilSys more accessible, PSA NCR PSO I has actively participated in over six (6) medical missions organized throughout 2024. These events took place at the following locations: Barangay 649, Tondo; Punta, Sta. Ana; Barangay 204, Tondo; Arlegui St., Quiapo; Earnshaw St., Sampaloc; and Pinoy St., Tondo. These initiatives have provided vital opportunities for Manileños to register for the Philippine Identification System (PhilSys), ensuring that essential identification services reach a broader segment of the population.

The partnership between PSA NCR PSO I and Vice Mayor Yul Servo's office underscores a shared commitment to enhancing public service delivery and fostering inclusive access to government programs. By integrating PhilSys registration with medical missions, the collaboration not only addresses health needs but also streamlines the process for obtaining the National ID, which is crucial for accessing various public and private services.
