Foreword

In the quest for gender equality, this edition of the Statistical Handbook on Women and Men (WAM) in the National Capital Region (NCR) stands as an essential repository of statistics and insights. Reflecting the dynamic nature of inclusivity, we draw guidance from international frameworks like the Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW) and the Beijing Platform for Action. Embraced by the Philippines since 1980, these commitments highlight the continuous journey toward achieving gender equality.

The legislative milestones, including the Magna Carta of Women Act and the 2030 Agenda for Sustainable Development, shape the foundation of our collective efforts. As we delve into the statistical fabric of the NCR, this handbook, now in its seventh edition, continues to be a beacon of progress.

Created through the collaboration of the Philippine Statistics Authority Regional Statistical Services Office-NCR and with significant support from our partners, this handbook highlights a unified effort to advance the government's gender mainstreaming initiatives. By presenting the latest gender data and thorough analysis, we aim to provide a vital resource that informs sound decision-making and fosters a more inclusive and equitable future for the National Capital Region.

The Seventh Edition of the Statistical Handbook on Women and Men in the National Capital Region (NCR) provides the latest gender-related statistics, meticulously presented through tables, charts, and concise explanatory texts. Each section is enriched with focused analysis that draws attention to key trends and significant findings. With this publication, the PSA-RSSO NCR seeks to enhance the government's efforts in integrating gender perspectives into policies and ensuring the country's compliance with international gender equality commitments.

May this edition catalyze dialogue, empower advocacy, and propel us forward on the path to a society where every individual, regardless of gender, can thrive and contribute meaningfully
